

30-second *RadiologyInfo.org* Public Service Message

For use through August 2026

(Version #2, 30 seconds)

ANNOUNCER:

C-T, M-R-I and other radiology exams provide your doctor with important health information. While these exams are routine, they can also cause concern.

Ease your scanxiety by visiting Radiology-Info-dot-org. You'll find 300 descriptions of radiology procedures, exams, and treatments.

Know what to expect and how to prepare by visiting Radiology-Info-dot-org today!

Produced by the Radiological Society of North America, the American College of Radiology, and the American Society of Radiologic Technologists.
