Affiliates

In an effort to reach more patients who are looking for high quality information on medical imaging, RadiologyInfo.org has launched an Affiliate Program for organizations that share our mission to provide or promote high-quality patient care and medical information to the general public. For more information, please download the Affiliate Benefits Fact Sheet (https://www.radiologyinfo.org/-/media/files/radinfo/phys-resources/affiliates/affiliate-benefits-fact-sheet.ashx?la=en&hash=EB6A247C7117FAA82C0A253A6F0A27630C6ECB76), Affiliate Program Policy & Guidelines (https://www.radiologyinfo.org/-/media/files/radinfo/phys-resources/affiliates/affiliate-policy-and-guidelines.ashx?la=en&hash=FA88FEAEB2ACA027DA762C30A54381A46FA04887) or contact radiologyinfo@rsna.org (http://www.radiologyinfo.orgmailto:radiologyinfo@rsna.org?subject=Affiliate%20Program).

Disclaimer

This information is copied from the RadiologyInfo Web site (http://www.radiologyinfo.org) which is dedicated to providing the highest quality information. To ensure that, each section is reviewed by a physician with expertise in the area presented. All information contained in the Web site is further reviewed by an ACR (American College of Radiology) - RSNA (Radiological Society of North America) committee, comprising physicians with expertise in several radiologic areas.

However, it is not possible to assure that this Web site contains complete, up-to-date information on any particular subject. Therefore, ACR and RSNA make no representations or warranties about the suitability of this information for use for any particular purpose. All information is provided "as is" without express or implied warranty.

Please visit the RadiologyInfo Web site at http://www.radiologyinfo.org to view or download the latest information.

Note: Images may be shown for illustrative purposes. Do not attempt to draw conclusions or make diagnoses by comparing these images to other medical images, particularly your own. Only qualified physicians should interpret images; the radiologist is the physician expert trained in medical imaging.
